

COMPREHENSIVE SEXUALITY EDUCATION WHERE AND HOW YOUR SCHOOL CAN ACCESS SUPPORT

Are you looking for support to review or strengthen your school's delivery of sexuality education?

Family Planning resources and services can help you deliver age-appropriate, comprehensive sexuality education for your rangatahi/young people.

SEXUALITY EDUCATION GUIDELINES

These Ministry of Education guidelines explain the related rights, roles and responsibilities of boards of trustees, principals and teachers.

FAMILY PLANNING TEACHING RESOURCES

Our resources are aligned with the New Zealand Curriculum. They enable delivery of best practice, age-appropriate comprehensive sexuality education.

PROFESSIONAL LEARNING AND DEVELOPMENT WORKSHOPS

We provide professional learning and development workshops for teachers, school nurses and community and youth workers. Our workshops can help you develop knowledge, skills and confidence with delivery of comprehensive sexuality education.

FREE ONLINE OR PHONE CONSULTATIONS

Free online or phone consultations are available with one of our Family Planning Health Promoters, no matter where you are in Aotearoa New Zealand.

FAMILY PLANNING EVIDENCE BRIEFING FOR COMPREHENSIVE SEXUALITY EDUCATION

This briefing provides key information and evidence to support the delivery of comprehensive sexuality education in schools.

FAMILY PLANNING POSITION STATEMENT ON SEXUALITY EDUCATION

Our position statement describes Family Planning's views on comprehensive sexuality education and why an inclusive approach is important.
